IRONSTAR

— METAL TRADING LLP —

Trusted Partner in Industrial Scrap Trading

VISION & MISSION

IRONSTAR METAL TRADING LLP is a professionally managed scrap trading company dedicated to providing reliable and sustainable recycling solutions.

The company specializes in sourcing recyclable materials from small vendors, industries, and commercial establishments and supplying them to recycling facilities and large-scale buyers.

OUR MISSION

To contribute significantly to **environmental sustainability** by efficiently managing and facilitating the recycling of scrap materials through ethical business practices and innovation.

OUR VISION

To become a leading and trusted scrap trading company recognized for **quality, reliability, sustainability,** and customer satisfaction.

OUR CORE VALUES

We are committed to **integrity, sustainability, quality,** and **customer satisfaction** in every service we provide. Our objective is to create value from waste while contributing to **environmental conservation** and **resource efficiency.**

INTEGRITY

We conduct our business with honesty and transparency.

SUSTAINABILITY

We promote responsible recycling for a better tomorrow.

QUALITY

We ensure high standards in every product and service.

CUSTOMER SATISFACTION

We prioritize our customers and build lasting relationships.

VALUE CREATION

We turn waste into value and support a circular economy.

OUR SCRAP MATERIALS

SCRAP MATERIALS

FERROUS METAL SCRAP

We provide efficient collection, processing, and recycling of ferrous metal scrap, ensuring environmentally responsible waste management solutions.

SCRAP MATERIALS

NON-FERROUS METAL SCRAP

We provide efficient collection, processing, and recycling of non-ferrous metal scrap, helping conserve valuable resources and support sustainable environmental practices.

SCRAP MATERIALS

PAPER SCRAP

We provide efficient collection, processing, and recycling of paper scrap, helping reduce waste, conserve natural resources, and support sustainable environmental practices.

SCRAP MATERIALS

PLASTIC SCRAP

We provide efficient collection, processing, and recycling of plastic scrap, helping reduce environmental impact, conserve resources, and support sustainable waste management practices.

SCRAP MATERIALS

GLASS SCRAP

We provide efficient collection, processing, and recycling of glass scrap, helping reduce waste, conserve raw materials, and support sustainable environmental practices.

IRONSTAR METAL TRADING LLP

Trusted Partner in
Industrial Scrap Trading

INDUSTRIES WE SERVE

At Ironstar Metal Trading LLP, we serve a diverse range of industries through reliable scrap collection, procurement, sorting, recycling, and distribution services. Our expertise in handling both ferrous and non-ferrous materials helps businesses improve resource recovery, reduce environmental impact, and support sustainable operations.

MANUFACTURING COMPANIES

Supporting production facilities with efficient scrap collection and recycling solutions.

CONSTRUCTION COMPANIES

Managing construction and demolition scrap materials for resource recovery and reuse.

METAL PROCESSING UNITS

Providing quality ferrous and non-ferrous scrap materials for industrial applications.

PACKAGING INDUSTRIES

Handling paper, cardboard, plastic, and packaging-related recyclable materials.

INDUSTRIAL SCRAP COLLECTORS

Partnering with scrap collectors for responsible material sourcing and sustainable recycling.

RECYCLING INDUSTRIES

Supplying quality recyclable materials to recycling facilities and resource recovery partners.

BUILDING A SUSTAINABLE FUTURE TOGETHER

Creating value from waste through responsible recycling, resource recovery, and environmental stewardship.
